### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: Claims 1, 4-8, 10, 12-13, 14, 17-21, 23, 25-28 and 30-32 are considered allowable since when reading the claims in light of the specification, none of the references of record alone or in combination disclose or suggest the combination of limitations specified in the independent claims. As to claims 1, 4-8, 10, 12, 13, 14, 17-21, 23, 25-26, the prior art of record does not teach wherein the broadband residential gateway displays or announces an identity of the one of the multiple ports selected by the end user. As to claims 27-28, the prior art of record does not teach wherein each of the multiple ports includes a unique identity and displaying or announces the unique identity of the selected port. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
